

Millersville Rural Fire Department

Code of Ethics

I fully realize and accept the responsibilities that membership in this organization requires and will perform the duties assigned me.

I will respond promptly to notification of a call from the public for assistance.

I will obey the orders of the officers in charge.

I will do my share of the work that is required in being prepared for emergency service.

I will do my work at emergencies and drills in an orderly, quiet and safe manner.

I will refrain from using profane or immoderate language while working at emergency incidents or in public context.

I will report to drills, unless excused by a superior officer, and will practice earnestly and do all in my power to make our department an efficient and effective emergency services organization.

I will be loyal to my officers, my fire company and to the Millersville Rural Fire District, and I will conduct myself at all times in a manner that is in keeping with the responsibility of a firefighter.

I will remember that I', in the eyes of the public, on and off duty, and I will conduct myself so as to bring credit to the department and the Millersville Rural Fire District.
